

Summer SAT Class At AcaciaWood School

For the second summer, AcaciaWood School will again offer SAT classes for current sophomores and juniors, with a special program designed to help them become Christian leaders.

Core Program: The SAT Class

- **For current high school sophomores and juniors only**
- Last year, score increased by average 238 points in six weeks
- Read faster with better comprehension and write more effectively
- Review SAT level math and solve word problems with ease
- Perfect test-taking skills
- One full-length practice test every week

Special Program: Christian Leadership Class

Being a Successful Student

- Get motivated to succeed and have clear goals for life.
- Be trained to manage time and accomplish more.
- Learn study methods that will guarantee straight A's in school.
- Learn the importance of good character for success in life.
- Prepare for college admission process: the earlier the better.

Being a Healthy Christian – Antipas Program

- Strengthen Christian faith, which is the foundation of good character.
- Learn to discern harmful theories and philosophies that damage Christian faith.
- Learn to overcome harmful culture and practices that damage human life.
- Study how science and history prove God's existence and the truth of the Bible.

Date and Time

- **Christian Leadership Class:** July 6 – July 10, M – F (1 week)
- **The SAT Class:** July 13 – August 7, MWF or TThF (3 days a week)
- 9:00 AM – 12:30 PM (3 ½ hours per day; 4 hours on practice test days, ending at 1PM);
- 2:00 PM – 5:30 PM class also available in a Fountain Valley location.

Place

- **AcaciaWood School**, 2530 West La Palma Avenue, Anaheim, CA
- Group transportation may be provided for cities far from Anaheim. Extra fee required.

Cost

- **Christian Leadership Class:** \$200; **The SAT Class:** \$590; **Both:** \$790
- Refer a student and receive \$50 referral fee.

How to register

- **Call (714)995-1800.** Or mail registration form to AcaciaWood School address.
- All students must register by June 13. Space is limited!
- Make an appointment to take a diagnostic test on June 6 and June 13. (Juniors who are taking the actual SAT test this spring may present the test result in place of the diagnostic test.)

Summer Program At Acacia Wood School

Core Program: English and Math

- **For current K to 9th graders only (1st to 10th in Fall 2009).**
- Learn note-taking skills for lectures and reading
- Read faster with better comprehension
- Learn memory techniques to recall with ease
- Study grammar and learn to write more effectively
- Review and/or preview math

Added Benefit: Character Development

- Get motivated to study harder! Get a handle on time management!
- Learn the secrets of many successful people.

Added Benefit: Antipas Program

- Antipas is an academic program to help children stand against the tide of this world.
- Exposes harmful worldly philosophies and cultures in light of biblical truths.
- Shows how science and archaeology support the Bible.
- Explains world and church history from the view of God's purpose.
- Helps children make proper choices in human life.
