			5	M - F	7/13 7/20 7/27 8/3	10	X _____	= \$ _____	X _____	= \$ _____
Total Tuition										\$ _____
Less Discounts:										
1) Private/Home school student discount: How many children are in this category? _____ X 4% = _____ %										
Example: If you have three children, but only two are attending private school, your discount is 8% (2 X 4%) for all children.										
2) Volume discount: How many weeks total are your children enrolled? _____ X 1% = _____ %										
Example: If two are enrolled all four weeks, but one for only two weeks, your discount is 10% (10 weeks total X 1%) for all children.										
Payment Option Note (Office Use Only):					Total Discount (Up to 33% Maximum)					% \$ _____
					Total Tuition Less Discount					\$ _____
					Add: Registration and Material - Per Student					\$90 X _____ = \$ _____
Approved by _____					Total Cost					\$ _____

Diagnostic Test Date	Testing Time*	Choose one of the following test options*:				
List all the children enrolled in the program	Child 1	9 - 11 AM or 9 AM-1 PM	6/6	6/13	Other by appointment _____	The result of actual SAT taken in _____
	Child 2	9 - 11 AM or 9 AM-1 PM	6/6	6/13	Other by appointment _____	The result of actual SAT taken in _____
	Child 3	9 - 11 AM or 9 AM-1 PM	6/6	6/13	Other by appointment _____	The result of actual SAT taken in _____
	Child 4	9 - 11 AM or 9 AM-1 PM	6/6	6/13	Other by appointment _____	The result of actual SAT taken in _____

* Testing time and options: For current K to 9th grade, test may take up to 2 hours; for SAT class students, test may take up to 4 hours. Students may submit actual SAT test taken in 2009.

As a parent or guardian, I declare that I have read, understood, agree to, and completed truthfully (if required) registration form, fee calculation form, medical information form, and parent policy form.
