Re: Proof of Insurance

AcaciaWood School does not provide insurance coverage for student-athletes in the event of an accident or injury. The student-athlete and his or her family must provide separate insurance coverage or waive the insurance coverage requirement.

My student-athlete is not currently covered under a healthcare insurance plan. I waive the insurance coverage requirement and release AcaciaWood School and its affiliates from any liability in the event of an injury.

My student-athlete is currently covered under a healthcare insurance plan.
